

# ALL PEOPLE FREE

Dear Donor,

Thank you for your support!

During the tax year of 2019 All People Free will operate as a DBA of M28 Ministries which is a 501c3 (EIN 82-1638126) registered in Washington State. All donations in the United States are Tax-deductible in full or part. We are in process of changing the name to All People Free so it can be more easily located online.

## **What happens to your donation?**

100% of our donations are put into action! We use 10% to raise more funds and 90% to grow our programs in Pakistan. By using part of your contribution to raise funds, we are able to make your donation more effective and multiply to help more people. The administration of All People Free is being covered by the support of a few private sponsors.

For sponsorship opportunities, trusts, wills, end of life donations, and large contributions please contact us directly.

## **What accountability do we have?**

Our board and a diverse financial committee review our finances quarterly. The finance committee is composed of individuals who have a proven record of accomplishment of financial stewardship for businesses and non-profit organizations. Our 2019 Tax return will be posted to our web site when it is available.

For questions or more information, please contact us.
